Revision on Contract for [REDACTED]

STATINTL

1. Reference is made to your memorandum of 19 July 1948 forwarding therewith a revision of Contract for [REDACTED] and extension of original contract for the period 1 November 1947 to 30 June 1948, inclusive.

2. The revision of contract and extension are returned herewith approved. The limitation placed on operating expenses would appear to cause no major problem in accounting for travel within the classification of operating expenses in the instant case.

3. In future cases, contemplating substantial expenses of travel, the consideration of alerting employees to an expressed standard of travel expenses may be warranted.
